No one would listen
No one but her
Heard as the outcast hears.

Shamed into solitude
Shunned by the multitude
I learned to listen
In my dark, my heart heard music.

I longed to teach the world
Rise up and reach the world
No one would listen
I alone could feel the music

Then at last, a voice in the gloom
Seemed to cry "I hear you;
I hear your fears,
Your torment and your tears."

She saw my loneliness
Shared in my emptiness
No one would listen
No one but her
Heard as the outcast hears

No one would listen
No one but her
Heard as the outcast hears...
