Phantom)  
Night time sharpens  
heightens each sensation...  
Darkness wakes  
and stirs imagination  
Silently the senses  
abandon their defences  
Helpless to resist  
the notes that I write  
For I compose  
the music of the night...

Slowly, gently  
night unfurls its splendour.  
Grasp it, sense it -  
tremulous and tender  
Hearing is believing  
music is deceiving  
Hard as lightning  
soft as candlelight  
dare you trust  
the music of the night...

Close your eyes  
for your eyes will only tell the truth  
And the truth  
isn't what you want to see.  
In the dark  
it is easy to pretend  
that the truth  
is what it ought to be.

Softly, deftly  
music shall caress you...  
Hear it, feel it  
secretly possess you...

Open up your mind  
let your fantasies unwind  
in this darkness which  
you know you cannot fight -  
the darkness of

the music of the night...

Close your eyes  
start a journey through a  
strange new world!  
Leave all thoughts  
of the world  
you knew before!

Close your eyes  
and let music set you free...  
Only then  
can you belong to me...

Floating, falling  
sweet intoxication!  
Touch me, trust me  
savour each sensation...

Let the dream  
begin  
let your darker side  
give in  
to the power of  
the music that I write -  
the power of  
the music of the night...

You alone  
can make my song take flight -  
help me make  
the music of the night...

Come we must return -  
those two fools  
who run my theatre  
will be missing you
