The Keys to the vaults of heaven
May be buried somewhere in a prayer
The Keys to the vaults of heaven
May be heavy or lighter than air

Open up the vaults
Open up the vaults
We've got to find the keys

The nights have been growing darker
Even darker now than sin
We'll open the vaults of heaven
The treasures are there within

The keys to the vaults of heaven
May be seen in a pure child's eyes
The keys to the vaults of heaven
May be heard in our desperate cries

Open up the vaults
Open up the vaults
We've got to find the keys

The nights have been growing darker
Even darker now than sin
We'll open the vaults of heaven
The glories are there within

The Keys to the vaults of heaven
May be buried somewhere in a prayer
The Keys to the vaults of heaven
May be heavy or lighter than air

We've got to find the keys
We've got to find the keys
To open up the vaults

The nights have been growing darker
They're so much darker now than sin
We'll open the vaults of heaven
The answers are there within

We've got to find the keys
We've got to find the keys
To open up the vaults

The nights have been growing darker
They're so much darker now than sin
We'll open the vaults of heaven
The answers are there within
