Roaul:

We have all been blind

And yet the answer is staring us in the face

This could be the chance to ensnare our clever friend

Man:

We're listening, go on

Roaul:

We shall play his game

Perform his work

But remember we hold the ace

For if Miss Daae sings he is certain to attend

Man:

We are certain the doors are barred

Man:

We are certain the police are there

Roaul:

We are certain they're armed

All:

The Curtain falls

His reign will end

Christine:

Roaul, I'm frightened.

Don't make me do this.

It scares me.

Don't put me through this ordeal by fire

He'll take me, I know.

We'll be parted forever.

He won't let me go.

WHAT I once used to dream, I now dread.

If he finds me it won't ever end.

And he'll always be there, singing songs in my head

He'll always be there, singing songs in my head

Roaul:

You said yourself he was nothing but a man

Yet while he lives, he will haunt us til we're dead

Christine:

Twisted every way what answer can I give?

Am I to risk my life to win the chance to live?

Can I betray the man who once inspired my voice?

Do I become his prey?

Do I have any choice?

He kills without a thought

He murders all that's good
I know I can't refuse
And yet...I wish I could
Oh God if I agree
What horrors wait for me
In this, the Phantom's Opera
Raoul:
Christine, Christine
Don't think that I don't care
But every hope and every prayer rests on you now
Phantom:
Seal my fate tonight
I hate to have to cut the fun short
But the jokes wearing thin
Let the audience in
Let my opera begin
