Apostles)

What's the buzz

Tell me what's a-happening

(Jesus)

Why should you want to know?

Don't you mind about the future

Don't you try to think ahead

Save tomorrow for tomorrow

Think about today instead

I could give you facts and figures

I could give you plans and forecasts

Even tell you where I'm going

(Apostles)

When do we

Ride to Jerusalem?

(Jesus)

Why should you want to know

Why are you obsessed with fighting

Times and fates you can't defy?

If you knew the path we're riding

You'd understand it less than I

(Apostles)

What's the buzz

Tell me what's happening

(Mary Magdalene)

Let me try

To cool down your face a bit

(Jesus)

That feels nice, so nice

Mary, oooh, that is good

While you prattle through your supper

Where and when and who and how

She alone has tried to give me

What I need right here and now

(Apostles)

What's the buzz

Tell me what's happening

(Judas)

It's a strange thing

Mystifying

That a man like you

Can waste his time

With women of her kind  
I can understand that she amuses you  
But to let her stroke you  
Kiss your hair  
Is hardly in your line  
It's not that I object  
To her profession  
But it doesn't seem to square  
With what you do or say  
It doesn't help  
If you're inconsistent  
They only need a small excuse  
To put us all away  
(Jesus)  
Who are you  
To criticize her?  
Who are you  
To despise her?  
Leave her, leave her  
Let her be now  
Leave her, leave her  
She's with me now  
If your slate is clean  
Then you can throw stones  
If your slate is not  
Then leave her alone!  
I'm amazed that men like you  
Can be so shallow, thick, and slow  
There is not a man among you  
Who knows or cares if I come or go  
(Apostles, except Judas)  
No you are wrong  
You're very wrong  
How can you say that!  
How can you say that!  
(Jesus)  
Not one, not one of you
