Hangin', hangin', hangin'  
Hangin' hangin' out  
Ladies put on your best dress  
Let's put your moves to the test  
We're going club hopping, finger popping, this party's  
never stopping  
We're ha-ha-hangin' out, hangin' out  
We're ha-ha-hangin' out, we're ha-ha-hangin' out  
Get it right tonight gonna love you so right  
Big fun all for you  
First we shake, then we break your love I'm gonna take  
We're ha-ha-hangin' out  
We're ha-ha-hangin' out  
We're ha-ha-hangin' out  
We're ha-ha-hangin' out  
We're ha-ha-hangin' out, We're ha-ha-hangin' out  
We're ha-ha-hangin' out  
First we shake, then we break your love I'm gonna take  
We're ha-ha-hangin' out  
Club hopping, finger popping this party's never  
stopping  
We're ha-ha-hangin' out  
Chorus
