Honey give me a kiss
Baby just like this
Lips kiss
I can see she's blonde and she's after me
And I feel in the air this vibrancy
Sweet honey child, you drive me wild
She's been lying glistening in the sun
What I need is her lips and kiss action
Her bikini stretched across her bronzed skin
Baby, yeah if you want to swing
Lady, yeah you've got to do one thing
Honey, yeah get off you knees, and please, please,
please
Yeah, so I sasy can I see you later on?
'Cos I know she wants to get it on
Sweet honey cild you drive me wild
She smiles and I know what comes next
'Cos her eyes they're whispering sex
Her bikini streched across her bronzed skin
Baby, yeah if you want to swing
Lady, yeah you've got to do one thing
Honey, yeah get off you knees, and please, please,
please
Kiss me, stroke me, pinch me, poke me
Hold me, please me, taunt me, squeeze me
Love me, use me, bite me, bruise me
Prick me, tease me
Come on and touch me
Baby's yeah if you want to swing
Lady, yeah if you've got to do one thing
Honey, yeah get off your knees and please, please,
please
Kiss me, stroke me, pinch me, poke me
Hold me, please me, taunt me, squeeze me
Love me, use me, bite me, bruise me
Prick me, tease me
Come on and touch me
Her bikini stretched across her bronzed skin
Baby, yeah if you want to swing
Lady, yeah you've got to do one thing
Honey, yeah get off you knees, and please, please,
please
