Here she comes, walking down the street
Can you see those hips swinging to the beat
Oh, love, she's all curves and thrust, smooth thighs
Brown eyes, silk and lust
Come a little closer, come on over here
Girl, I gotta hold ya, don't ya disappear
She excites me, she ignites me, and she's hotter than a
rocket on the Fourth of July
Come on try me, put it by me, 'cos I gotta make a move
to
Stop you walking on by
She wears a red dress, sextress, scarlet lips I wanna
kiss
She got some first class long legs, it's a sin and that's
my thing
Here she comes, cotton candy treat, gonna rock this
hot sticky sugar sweet
Oh love, garter belts and lace sex simmers, sweat
shimmers on her face
Girl, you got me jumpin', girl you got me hot
Come on, get it pumpin', give me all you got
She excites me, she ignites me, and she's hotter than a
rocket on the Fourth of July
Come on try me, put it by me, 'cos I gotta make a move
to
Stop you walking on by
She wears a red dress, sextress, scarlet lips I wanna
kiss
She got some first class long legs, it's a sin and that's
my thing
She wears a red dress, sextress, scarlet lips I wanna
kiss
She got some first class long legs, it's a sin and that's
my thing
Sexual favours fantasies
Carnal pleasures ecstasies
Girls, far more than I could please
They don't tempt me
Babe, I love your red dress
She excites me, she ignites me, and she's hotter than a
rocket on the Fourth of July
Come on try, put it by me, 'cos I gotta make a move to

Stop you walking on by
She wears a red dress, sextress, scarlet lips I wanna
kiss
She got some first class long legs, it's a sin and that's
my thing
