Do you think that the river is jealous of the mountain,
Who is jealous of the ocean,
Who is jealous of the sea?

Do you think that the river is jealous of the desert,
Who is jealous of the forest,
Who is jealous of the sea?

Do you think the little sparrow knows exactly where it's
going
When he wakes up in the morning and he stretches out
his wings?

Do you think the little sparrow knows exactly where it's
going
When he wakes up in the morning, and lies underneath
the tree?

And do you think that my baby knows what she does to
me?
Can you believe how good she is to me?
Do you think that my baby knows what she does to me?
Can you believe...

Do you think that the springtime
Knows that the sun shines
Brightest on the day that she appears?

Do you think that the springtime
Knows that we've been inside
Hiding until the day that she appears?

And do you think baby knows what she does to me?
Can you believe how good she is to me?
Do you think that my baby knows what she does to me?
Can you believe...

Love is deeper than the river,
It's lighter than the sparrow,
It's sweeter than the springtime,
And she gives it all to me.

Love is deeper than the river,
It's lighter than the sparrow,
It's sweeter than the springtime,
And she gives it all to me. (x3)
