You gotta keep up  
You gotta keep goin'  
You gotta keep up  
You gotta keep goin'  
No, you never let down  
You gotta keep goin'  
You gotta keep up  
You gotta keep goin'

I went around the place  
Where we once went before  
But I never knew it hurt so bad  
Ohh oh  
An' I wandered back again  
But you just slammed the door  
But I never knew it hurt so bad  
Ooh oh

An' we were nothing but  
Kids on top  
Never gonna stop  
We never let down  
We gotta keep up  
Keep our heads on high  
Never gonna die  
'Cos we gotta keep it alive

When you're down on your luck  
You gotta do it  
'Cos you can't get enough  
You gotta do it  
You never give up  
(No!)  
You got to do it  
Gotta do all the stuff that you love  
(No more turning)

When you're down on your luck  
You gotta do it  
And you're covered in mud  
(Ooo oo)  
You gotta do it

You still going on  
(Yeah!)  
You got to do it  
Gotta do all the stuff that you love

You gotta keep up  
You gotta keep goin'  
You gotta keep up  
You gotta keep goin'  
No, you never let down  
You gotta keep goin'  
We gotta keep up  
We gotta keep goin'  
Ohh oh

But you left me down  
So many times  
And took me back  
But I'll never turn around again  
Ohh oh  
And now my life is back  
I'm back on the track  
And I'll never burn it down again  
No

'Cos we were nothing but  
Kids on top  
Never gonna stop  
We never let down  
We gotta keep up  
Keep our heads on high  
Never gonna die  
'Cos we gotta keep it alive

(Hey, hey yeah)  
When you're down on your luck  
You gotta do it  
'Cos you can't get enough  
You gotta do it  
You never give up  
(No!)  
You got to do it  
Gotta do all the stuff that you love  
(No more turning)

When you're down on your luck  
You gotta do it  
And you're covered in mud  
You gotta do it  
You still goin' on  
(Yeah!)

You got to do it  
Gotta do all the stuff that you love  
(No more turning)

When you're down on your luck  
(Yeah!)

You gotta do it  
'Cos you can't get enough  
(Yeah!)

You got to do it  
You never give up  
(No!)

You got to do it  
Gotta do all the stuff that you  
Do all the stuff that you  
Do all the stuff that you love
