If i was too late would i leave you with anything to
remember me by?

Something that triggered your memory
that made you cry, that made you cry..

but this is hard .. on me
but this is hard .. on me
this is hard .. on me
this is so hard .. on me

If i was too late would i leave you with anything to
remember me by?

Maybe a beautiful scar,
maybe a season thats ours,
maybe a broken camera in the back of your car.

but this is hard .. on me
but this is hard .. on me
this is hard .. on me
this is so hard .. on me

Maybe a beautiful scar,

maybe a season thats ours,
maybe a broken camera in the back of your car,
in the back of your car..

If i was too late would i leave you with something to
remember me by

Maybe a beautiful scar,
maybe a season thats ours,
maybe a broken camera in the back of your car,
in the back of your car..

If i was too late would i leave you with something to
remember me by

Maybe a beautiful scar,
maybe a season thats ours,
maybe a broken camera in the back of your car,
in the back of your car..
in the back of your car..
in the back of your car..
