The angst in his eyes tonight
has nothing to do with fear
tonight what he's gonna try
he knows will leave her in tears
the questions he would ask
the answer she would give
the relief that yes could bring oh now he suffering
you will wear your whitest dress
I will wear my finest shirt
you will have the brightest smile and I'll give you the
world

And I will never love anybody else as long as I live as
long as I live and I will never love anybody else as long
as I live I promise you this

The tears in her eyes tonight is just what he desires
he whispers in her ear my love your beautiful so
beautiful
the ring you wear it does not compare to my love
you will wear your whitest dress
I will wear my finest shirt
you will have the brightest smile and I'll give you the
world

And I will never love anybody else as long as I live as
long as I live and I will never love anybody else as long
as I live I promise you this

Promise you this..

And I will never love anybody else as long as I live as
long as I live and I will never love anybody else as long
as I live I promise you this

And I will never love anybody else as long as I live as
long as I live and I will never love anybody else as long
as I live I promise you this
