Dear polly garcia, dear the love of my life, dear my princess
even when we're old and gray, your the only one ill
share my yucky oat cookies with.
we can go wigg shopping together when our hair falls
out,
and we can hold each other up instead of using cains

dear polly garcia, dear the love of my life, dear my princess
this distance isnt anything compared to how much i
love you.
these miles are only in our head, 3,000 is just a
number.
ill be there soon, you are my home now.
goodbye florida, hello california!

dear polly garcia, dear the love of my life, dear my princess
one year now since ive met you and sweetie, i still love
you.
can i ask a favor from you, princess?

can i show you how much i love you, until the day we
die?
is it too much to ask for another favor, pumpkinseed?
because if it isnt, then can i brag to all my friends
about you?
can i put more pictures of you in my school binders?
can i be with you forever and ever, babe?

dear polly garcia, dear the love of my life, dear my princess
i love you more than aladdin loves jasmin
i love you more than noah loves allie
i love you more than romeo loves juliet

theres a girl named polly, she has the best of me.
shes my february
shes my angel
shes my love

i guess thats all for now, ill write you again soon
oh one more thing, i love you MORE
