i've been loving you too long by AndrÃ© Hazes  
I've been lovin' you too long  
to stop now  
you were tied and you want to be free  
my love is going stronger  
as you become a habit to me  
oohh lovin' you a little too long  
I don't want to stop it now

With you my life  
has been so wonderful  
I can't stop now  
you were tied and your love is growing cold  
my love is going stronger  
and I felt I felt grow old  
I've been lovin' you  
I don't wanna stop

I've been lovin' you a little too long  
I don't want to stop now  
and don't make me stop now, oh baby  
I'm down on my knees  
please, don't make me stop now  
I love, I love you, I love you with all my heart  
and I can't stop now  
please, please, please, yeah don't make me stop now

I'm crying with my hart, with my soul  
That I love u, ooh, I love u, I love u
