you'll never walk alone by AndrÃ© Hazes
When you walk trough a storm
Hold your haed up high
And don't be afraid of the dark
At the and of a star, there's a golden sky
And a sweet silver song of love

Walk on, trough the wind
Walk on, trough the rain
Though your dreams be tough and glow
Walk on, walk on
With hope in your heart
And you'll never walk alone
You'll never walk alone
Walk on, walk on
With hope in your heart
And you'll never walk alone
You'll never walk alone
