I'm not a body,
I'm just a soul.
I'm the king,
But not the crown.

Well that's my name,
But it's not me.
I'm not a door...
I am a key.

Cause I'm pure energy,
And I just cannot turn to nothing.
Cause I am pure energy,
and I just cannot turn to nothing.

Do you remember, do you recall?
That the day you die,
Is the day you are born.
(again)

Don't try to forget them,
Don't try to ignore,
Those things you've had
In a life before.

Ashes to ashes,
Sust to dust,
A question of knowledge,
A matter of trust.
So many people,
Afraid to die...
Well that's all about
Skin and bone,
But not about who am I.
