Never let me go  
Love me much too much  
If you let me go  
Life would lose its touch

What would I be without you?  
There's no place for me without you

Never let me go  
I'd be so lost if you went away  
There'd be a thousand hours in the day  
Without you, I know

Because of one caress  
My world was overturned  
All my bridges burned  
By my flaming heart

You'd never leave me, would you?  
You couldn't hurt me, could you?  
Never let me go, never let me go

Because of one caress  
My world was overturned  
At the very start  
All my bridges burned  
By my flaming heart

You'd never leave me, would you?  
You couldn't hurt me, could you?  
Never let me go, never let me go
