Here I am in wonder
At the thought of Your splendor
And if I'm to lift a note
In Your direction
Let it speak of who You are

Chorus:
You are awesome
You are perfect
I am humbled in Your presence
And I love the way
You speak to me
With words of loving kindness
I adore You, I adore You

Here I am in wonder
That I can call You father
God of all the universe
Let me speak of who You are

Chorus

Bridge:
Joyful, joyful we adore You
God of glory, Lord of love
Hearts unfold, like flowers before You
Opening to the sun

Chorus
