I Can't Help It

Andy Gibb and Olivia Newton-John

(Barry Gibb)

Oh, I

Baby, what a fool I am

First a boy and then a man am I

And you

You're the heart of it all

You're the things I say and do

Am I wasting my time hanging around

You would be gone

But I can't help it

Every moment that I think about you

Every day and every night without you

I can't survive

Love, take away the lonely days gone by

Make it every day for you and I

Giving me a chance to go on believing

Girl, you gotta go on believing

Boy, you gotta go on believing

You

Baby you're the breath I take

Coming from the heart in love am I

And you

You're the heart of it all

You're the things I say and do

Am I wasting my time hanging around

You would be gone

But I can't help it

Every moment that I think about you

Every day and every night without you

I can't survive

Love, take away the lonely days gone by

Make it every day for you and I

Giving me a chance to go on believing

Girl, you gotta go on believing

Boy, you gotta go on believing
