To dust, I can wake up in the morning and I'm lost  
I let my love to dust  
I can wake up in the morning and I'm lost  
I let my love to dust

Una noche de samba, de samba, de samba  
Y mi chico que baila, que baila, que baila  
Me da todo su calor, su calor, su calor  
Al ritmo de un nuevo amor

All around the round  
All around the world is playing samba  
Finally I've found  
I have found a girl who makes me rumble  
All around the round  
Don't you know this fever is samba

Una noche de samba, de samba, de samba  
Y mi chico que baila, que baila, que baila  
Me da todo su calor, su calor, su calor  
Al ritmo de un nuevo amor

Una noche de samba, de samba, de samba  
Y mi chico que baila, que baila, que baila  
Me da todo su calor, su calor, su calor  
Al ritmo de un nuevo amor

I've been around the world, but I love this party  
I've been around the world, but I love this party  
I've been around the world, but I love this party  
This party, this party, this party, this party

Una noche de samba, de samba, de samba  
Y mi chico que baila, que baila, que baila  
Me da todo su calor, su calor, su calor  
Al ritmo de un nuevo amor
