You take me high above the world I see  
Way beyond the clouds, beautiful colours surround me  
You show me dreams I never dreamt before  
Unspeakable feelings evermore

Fly with me  
Across the heavens  
Feel the breeze  
Above the skies  
Come with me  
Across the heavens  
Spirit breathe

Every time I look into Your eyes  
Revelation eyes  
Heavenly visions, paradise  
I feel a love Iâ€™ve never felt before  
Touch my emotions evermore

Youâ€™re so amazingâ€¦

Behind the Song:

'One day as I was praying, God gave me a pictureâ€¦  
and that picture was of me flying with God hand in  
hand, soaring above the clouds across the different  
nations in this world. He would then show me how He  
felt of the things that go on in these nations. This  
picture was one of intimacy with our Creator, and this is  
what I desire. I want to fly with God.' - Andy Hunter
