Open my eyes
I want to see what You see
Show me the view
Let me feel what You feel

Open my world
I want the air You breathe
Show me the life
That's in You
Behind the Song:

'This track is where I am saying to God, "I want to see, feel, and experience what Your senses experience when You look at the wastelands of our lives, and at the countries in which we live." That knowledge becomes a prayer for God to breathe His life into those areas and wastelands...' - Andy Hunter
