Don't tell me  
It's another likely story  
Could've pinned it on you from the start  
Well I'm new here  
Doesn't mean I have to answer  
Silly questions or a shot in the dark

You know I'm a child  
I keep this alive

It gets harder  
I remember to remember  
Waking up again all over again  
If there's an echo  
Repeat days I'd likely let go  
And be the changes we are noticing

When we're running wild  
We keep this alive

Still I wonder  
Sights around us fade and underneath  
The ground shakes, things fall apart  
And no other than the voice of one another  
Keeps us safely moving on in the dark

You know I'm a child  
I keep this alive
