Na Na Na Na Na Na Na Na Na Na  
Na Na Na Na Na Na Na  
I fell in love with a Italian girl  
Well she came from only  
heaven knows  
But my Lord above I must've  
needed her  
together we built a small  
humble home  
And now I wanna hold her  
tight everynight  
that's all I wanna do  
is to satisfy rest of my life  
It's just the kind of thing I thought

I'd never ever end up and do  
But somehow  
my outlook's changed  
since I found myself with you  
How I love her - My Italian girl  
How I need her - My Italian girl  
Heaven walks into the room  
whenever  
she walks on by oh by  
Oh Lord above I tell myself must  
be an angel in disguise  
So now I wanna  
Gimme Gimme Italian girls
