Time, floating by  
Time, the daylight fades  
Time, floating by  
Time, the daylight fades

For a moment I fight it  
Then I give in  
Sleep overcomes me  
And I let the moonlight  
Take me away

For a moment  
I've lost my mind  
Spinning places

All my thoughts  
Whirl me through the night  
Take me away

[Bridge]

Time, floating by  
Time, the daylight fades  
Time, floating by  
Time, the daylight fades

[Instrumental]

For a moment I fight it  
Then I give in  
Sleep overcomes me  
And I let the moonlight  
Take me away

For a moment  
I've lost my mind  
Spinning places

All my thoughts  
Whirl me through the night  
Take me away
