Control the tide
Unleash the rain
They're whispering
Those thoughts again

Convince yourself
You always do
When all else fails
And nothing's true

[Chorus: Akt - Wizju]

Reaching out when there's no one else around
Are you sure you're dreaming?
Calling out but they've taken all the sound
With a sinking feeling now

Reaching out when there's no one else around
Are you sure you're breathing?
It's too late when you finally hit the ground
With a sinking feeling now

Until the day
That binds you here
You'll make them stay
Or disappear

Debate the point
Or walk away
A fragile mind
A tragic play

[Chorus: Akt - Wizju]

Reaching out when there's no one else around
Are you sure you're dreaming?
Calling out but they've taken all the sound
With a sinking feeling now

Reaching out when there's no one else around
Are you sure you're breathing?
It's too late when you finally hit the ground

With a sinking feeling now
