Just young, just young

When they see us  
Walking home together  
And we're holding hands  
Along the way

They'll say it's just  
Because we're young  
Just young

When they see your  
Picture on my bureau  
And they see me  
Kiss it every day

They'll say it's just  
Because we're young  
Just young

Just young  
But it isn't the way we feel  
Our hearts (our hearts)  
Tell us our love is real  
(Our love is real)

Till the time we make  
Them understand us  
Secretly, we'll smile  
About the way they say

It's just because  
We're young, just young

They say it's just  
Because we're young  
Just young

Just young  
But it isn't the way we feel  
Our hearts (our hearts)  
Tell us our love is real

(Our love is real)

Till the time we make  
Them understand us  
Secretly, we'll smile  
About the way they say

It's just because  
We're young, just young

Just young, just young
