Be still and know
That i am god the father
Be still and know
That i am king of all kings
Be still and know
That i am here to protect you
To comfort and to guide you
Be still and know that i am holy the lamb

My child i'm here
You don't have to be alone
You can call on me at home
Whenever you're feeling down
Just know that i am around
Don't let the enemy try to come in
Tell him there will be no suffering
Be still and know that i am holy the lamb

Holy Holy the lamb of God
Holy Holy the lamb of God

Be still and know
That i am God the father
Be still and know
That i am king of all kings
Be still and know
That i am here to protect you
To comfort and to guide you
Be still and know that i am holy the lamb
