I want some Brand Nubian  
Pac and Rakim, Biggie, Nas  
Really don't make emcees like they used to  
Freestyle Fellowship, D.O.C, Pharaoh Monch  
Jay, Ahmad, and Thought from the Roots crew

That's a hood, who's who, now what you dudes do  
Make a wack album, pay Lil Jon do two  
Dope beats for the streets to introduce you  
But you weak , we know he got heat, what you do?

Sick of hype, homie is you tight or boo boo  
I'm precise with mine dun diced a few fools  
Got stripes for serving on mics you new to  
From the life where if you ain't nice we boo you

Boo hoo go head cry if you wanna  
What you got's not hot they rock mine every corner  
Homie can't see me if he try he a goner  
Plus he must be smoking that Thai Marijuana

It's over now I told y'all it's over now  
We off in them Range Rovers now  
It won't stop but it's over now  
It's over now I told y'all it's over now  
We got money to fold up now  
It don't stop but it's over now

Ahmad's going through a carpenter phase  
Carving up stages  
And mic's with tight rhymes sharper than razors  
Fools talk so often I'm made to

Defeat these MC's in three's  
Like Stojakovic, Peja  
See whatever you got and I'll raise ya  
Man who you kidding

Poppin' your lip then hit me back when I page ya  
With it whenever whatever  
I'm too clever you'll never  
Do nothing to my crew ever

We heavyweights to you feathers  
Paragraphs to letters  
We the Jag's you Jetta's  
You backspins we more advanced like Capoeira

Avenue band stands apart where fans set us  
Y'all loose  
We tighter than Bruce Bruce's sweaters  
Rocked with top sellers

So hot they got jealous  
Haters pop a lot we not gon' stop fellas  
Every rhyme's divine we shine 'cause God lets us  
Grindin' till we platinum lying in Barbados

It's over now I told y'all it's over now  
We off in them Range Rovers now  
It won't stop but it's over now  
It's over now I told y'all it's over now  
We got money to fold up now  
It don't stop but it's over now
