Don't care what you want
Cause you'll stab me in the back
I know as soon as I am gone
Burnin as you bleed
I can't believe that this is the place I wanna be
It happens every day
Someone gets burned away
It kicks your ass it leaves you down
And if it happens to much
It can drive someone insane
It isn't what you want
It isn't what you need
It takes all of your energy
Now I'm walkin on
Cause you said you got my back
And when I turned man you were gone
Don't care what you need
They stab you in the back
And then they fuckin watch you bleed
