Shouldve talked instead of backin down
I shouldve said that dress you wear it well
If you don't want me I guess I'll be going back to hell
Where I can wonder if I ever had a chance
At you at all

[3x] wait Ive been here waiting for so long

You shouldve noticed Ive been comin round
People talkin god I hate this town
Settin myself up just to be let down
And still I wonder if I ever had a chance
At you at all yeah,yeah

[3x] wait Ive been here waiting for so long

Yeah youve noticed Ive been comin round
And you know in that dress
You know you where it well
But you don't want me I guess I'll be goin
Back to hell
And still I wonder if I ever had a chance at you
At all yeah,yeah

[3x] wait Ive been here waiting for so long
