I don't know why but today seems like it's going to
be a great day!
There's something in the air that makes me feel like
things are gonna
go my way
The birds are chirping tweedly-deet, the sun is shining
bright!
There's a skip in my step, a pip in my pep *snort* and
I don't know
why!

Hey there mailman friend, any letters from my ex-wife
or the kids?
No
Fantastic news *maniacal laughter*

Wonderful day makes me feel so happy that my face is
numb!
My heart is racing along barupa papapam pam!
So many places and people to meet, now that I've lost
my job!
They say young man, the worlds your oyster- HEY! HEY
GET THE F***K
OFF ME! NO! F**K NO!
Sniffle Just give me second. *Snort*
I don't know why but today seems like its going to be
a great day!
Lalala blah blah blah I should spend more time
with my kids!
Its carpe diem, gotta seize the day, I'm gonna move
to Spain and run
with the bulls
And my wife and boss and kids and parents will say we
were wrong

about you Dennis

Hey Dennis!
That's my name!
Are you really going to run with the bulls?
Why would I do that?
Cuz you said you were gonna!

Come on man, that was like three days ago-OR WAS
IT???

Something today makes me feel fine and fancy-free
Much of the ocean is still unexplored, how did I get up
in this tree?

Now IÂ'm over here, now IÂ'm over there
Now under this dude, now IÂ'm back in the tree
Now IÂ'm hanging out backstage with my very best
friends: Alec Baldwin
and Tom Petty!

Get the F***K out of here
What?
NOW.
Tom!

Why would they dis me? I thought they were my
homies! *snort*

Any problem is solvable, we can feed the hungry and
cure disease
But all of that would be a huge waste of time because
we live in the
matrix.

grunts
What is wrong with him?
grunts
HeÂ's on drugs.
Oh.
spits
