I have tried  
to succeed  
everything I do  
is scaring me  
To possess  
to have won  
everything that's  
underneath the sun  
Scary voices  
echo  
in my head  
I can see  
I am blind  
everyone I love  
I leave behind  
Hold on and take control  
hold on and save your soul  
be sure before you rise  
hold on it's in your eyes  
I have tried  
to succeed

everything I do

is scaring me
