Don't believe me if I tell you  
Not a word of this is true  
Don't believe me if I tell you  
Especially if I tell you I'm in love with you

Don't believe me if I tell you  
That I wrote this song for you  
It just might be some other silly pretty girl  
That I sing it to

Don't believe a word  
For words are easily spoken  
And your heart is like a promise  
There to be broken

Don't believe a word  
Cause words can tell lies  
And lies only comfort  
When there's tears in your eyes

Don't believe me if I tell you  
Not a word of this is true  
Don't believe me if I tell you  
Especially if I tell you I'm in love with you

Don't believe a word
