When you close your eyes  
I feel like I'm in heaven  
When you're in my arms  
I never want to leave you  
No matter where you're going

What can I do that's not wrong  
When will my world turn around

Stand by me  
I'll never let you go

Hold me close  
I love you so  
Is it just my heart  
Lyin' to my head  
Stand by me

When you close your eyes  
I feel like I'm in heaven

What can I say that's not wrong  
When will our worlds turn around
