If I needed you  
Would you come to me?  
Would you come to me  
And ease my pain?

If you needed me  
I would come to you  
I would swim the seas  
For to ease your pain

Well, the night's forlorn  
Ah, the morning's born  
Ah, the morning shines  
With the lights of love

You will miss sunrise  
If you close your eyes  
And that would break  
My heart in two

Lady's with me now  
Since I showed her how  
To lay her lily hand  
In mine

Loop and 'lil agree  
She's a sight to see  
A treasure for  
The poor to find

If I needed you  
Would you come to me?  
Would you come to me  
And ease my pain?

If you needed me  
I would come to you  
I would swim the seas  
For to ease your pain
