There were trains
And we out-run 'em
There were songs
And we out-sung 'em
There were brighter days never ending

There was time
And we were burnin'
There were rhymes
And we were learnin'
There was all the love two hearts could hold

And after all this time
You're always on my mind
Hey I could never let it end
'Cause my heart takes so long to mend
The dream that keeps your hopes alive
The lonely nights you hold inside
And after all this time
You're always on my mind
I still want you

There was rain
That we outlasted
There was pain
But we got past it
There were last goodbyes still left unspoken
There were ways I should have thrilled you
There were days I could have killed you
You're the only love my life has known

And after all this time
You're always on my mind
Hey I could never let you go
A broken heart that heals so slow
Could never beat for someone new
While you're alive and I am too
And after all this time
You're always on my mind
I still miss you

And I could never let it in
'Cause my heart takes so long to mend
The dream that keeps your hopes alive
The lonely nights you hold inside
And after all this time
You're always on my mind
I still want you
Hey after all this time
You're always on my mind
I still love you
