You're just too good to be true
Can' t take my eyes off you
You'd be like heaven to touch
I wanna hold you so much

At long last love has arrived
And I thank God I'm alive
You're just too good to be true
Can't take my eyes off you

Pardon the way that I stare
There's nothing else to compare
The sight of you leaves me weak
There are no words left to speak

And if you feel like I feel
Please let me know that it's real
You're just too good to be true
Can't take my eyes off you

I love you baby, and if it's quite alright
I need you baby to warm the lonely night
I love you baby
Trust in me when I say

Oh pretty baby, don't bring me down I pray
Oh pretty baby, now that I've found you stay
And let me love you baby
Let me love you

You're just too good to be true
Can' t take my eyes off you
You'd be like heaven to touch
I wanna hold you so much

I love you baby, and if it's quite alright
I need you baby to warm the lonely night
I love you baby
Trust in me when I say

Oh pretty baby, don't bring me down I pray
Oh pretty baby, now that I've found you stay

And let me love you baby
Let me love you
