If you're feeling sad and lonely,
There's a service I can render
Tell the one who loves you only
I can be so warm and tender

CHORUS:

Call me
Don't be afraid, you can call me
Maybe it's late, but just call me
Tell me, and I'll be around

When it seems your friends desert you,
There's somebody thinking of you
I'm the one who'll never hurt you
Maybe that's because I love you

CHORUS

Now, don't forget me
'Cause if you let me,
I will always stay by you
You gotta trust me
That's how it must be
There's so much that I can do

If you call, I'll be right with you
You and I should be together
Take this love I long to give you
I'll be at your side forever

CHORUS

INSTRUMENTAL BRIDGE

CHORUS

Now, don't forget me
'Cause if you let me,
I will always stay by you
You gotta trust me
That's how it must be

There's so much that I can do

If you call, I'll be right with you
You and I should be together
Take this love I long to give you
I'll be at your side forever

CHORUS

You gotta call me
Call me now
