Honey babe, ooo, honey babe
Mmm, honey babe, I like your kind of love
That's good, baby, that's good

Honey babe, I like the way that you walk by
I like the way you swing your eye
I like your kind of love
That's good, baby, that's good

Every night, I like the way you beg for more
And linger there outside the door
I like your kind of love
That's good, baby, that's good

Well, well, well, ain't it swell?
Can't reveal how I feel

And no one else could ever thrill me like you do
You make my every dream come true
I like your kind of love
That's good, baby, that's good

Oh, honey babe, ooo, honey babe
Mmm, honey babe, I like your kind of love
That's good, baby, that's good

Honey babe, I like the way you wear your clothes
My love for you just grows and grows
I like your kind of love
Honey, you know I do

When you're near you don't know what you do to me
And that's the way it oughta be
I like your kind of love
Honey, you know I do

Don't you know that I love you so?
Can't you see that you're for me

Honey babe, I like the way you hold my hand
To make me know you understand
I like your kind of love

Honey, you know I do

Honey babe, ooo, honey babe
Mmm, honey babe, I like your kind of love
That's good, baby, that's good

Ooo, honey babe, I like your kind of love
That's good, baby, that's good
Mmm, honey babe, I like your kind of love
That's good, baby, that's good
