If it takes forever I will wait for you

For a thousand summers I will wait for you

Till you're back beside me, till I'm holding you

Till I hear you sigh here in my arms

Anywhere you wander, anywhere you go

Every day remember how I love you so

In your heart believe what in my heart I know

That forevermore I'll wait for you

The clock will tick away the hours one by one

Then the time will come when all the waiting's done

The time when you return and find me here and run

Straight to my waiting arms

If it takes forever I will wait for you

For a thousand summers I will wait for you

Till you're here beside me, till I'm touching you

And forevermore sharing your love
