In the summertime when all the trees and leaves are  
green

And the redbird sings, I'll be blue

'Cause you don't want my love

"Some other time", that's whatcha say when I want you

Then you laugh at me and make me cry

'Cause you don't want my love

You don't seem to care a thing about me

You'd rather live without me

Than to have my arms around you

When the nights are cold and you're so all alone

(All alone)

In the summertime when all the trees and leaves are  
green

And the redbird sings, I'll be blue

'Cause you don't want my love

Once upon a time you used to smile and wave to me

And walk with me but now you don't

'Cause you don't want my love

Some other guy is takin' up all your time

Now ya don't have any time for me

'Cause you don't want my love

You don't seem to care a thing about me

You'd rather live without me

Than to have my arms around you

When the nights are cold and you're so all alone

(All alone)

In the summertime when all the trees and leaves are  
green

And the redbird sings, I'll be blue

'Cause you don't want my love

In the summertime when all the trees and leaves are  
green

And the redbird sings, I'll be blue  
'Cause you don't want my love

(In summertime, in summertime when all the leaves  
are green)

In the summertime, I'll be blue all the time  
'Cause you don't want my love
