Words by Harold Adamson and Music by Jimmy McHugh

From the 1948 film "A Date With Judy" starring Wallace Beery, Jane Powell, Elizabeth Taylor, Carmen Miranda, Robert Stack , and Xavier Cugat
It's a most unusual day
Feel like throwing my worries away
As an old native-born Californian would say
It's a most unusual day

There's a most unusual sky
Not a sign of a cloud passing by
And if I want to sing, throw my heart in the ring
It's a most unusual day

There are people meeting people
There is sunshine everywhere
There are people greeting people
And a feeling of Spring in the air

It's a most unusual time
I keep feeling my temperature climb
If my heart won't behave in the usual way
Well, there's only one thing to say
It's a most unusual day

There are people meeting people
There is sunshine everywhere
There are people greeting people
And a feeling of Spring in the air
I keep feeling my temperature, cli-i-imb if my heart wont
behave in the usual way
Till there is only one thing to say
It's a most unusual, most unusual
Most unusaaaal da-a-a-a-ay!
