I bless the day I found you  
I want to stay around you  
And so I beg you, let it be me

Don't take this heaven from one  
If you must cling to someone  
Now and forever, let it be me

Each time we meet, love  
I find complete love  
Without your sweet love, what would life be?

So never leave me lonely  
Tell me you love me only  
And that you'll always let it be me

Comme l'argile, l'insecte fragile  
L'esclave docile, je t'appartiens  
De tout mon tre, tu es le seul maÃ¢tre  
Je dois me soumettre, je t'appartiens

To you I'm praying, hear what I'm saying  
Please, let your heart beat  
For me, just me

So never leave me lonely  
Tell me, you love me only  
And that you'll always let it be me
