Oh, the weather outside is frightful
But the fire is so delightful
Since we've no place to go
Let it snow, let it snow, let it snow
It doesn't show signs of stoppin'
And I brought some corn for poppin'
The lights are turned down low
Let it snow, let it snow, let it snow
When we finally kiss good night
How I'll hate goin' out in the storm
But if you really hold me tight
All the way home I'll be warm
The fire is slowly dying
And, my dear, we're still good-bye-in'
But as long as you love me so
Let it snow, let it snow, let it snow
(When we finally kiss good night)
How I'll hate goin' out in the storm
(But if you really hold me tight)
All the way home I'll be war-ar-arm
The fire is slowly dying
And, my dear, we're still good-bye-in'
But as long as you love me so
Let it snow, let it snow
Let it snow, let it snow, let it snow
Let it snow
