A time for us, someday there'll be  
When chains are torn by courage born of a love that's  
free

A time when dreams, so long denied  
Can flourish as we unveil the love we now must hide

A time for us at last to see  
A life worthwhile for you and me  
And with our love through tears and thorns  
We will endure as we pass surely through every storm

A time for us, someday there'll be  
A new world, a world of shining hope for you and me

A time for us at last to see  
A life worthwhile for you and me  
And with our love through tears and thorns  
We will endure as we pass surely through every storm

A time for us, someday there'll be  
A new world, a world of shining hope for you and me
