A time for us, someday there'll be
When chains are torn by courage born of a love that's
free

A time when dreams, so long denied
Can flourish as we unveil the love we now must hide

A time for us at last to see
A life worthwhile for you and me
And with our love through tears and thorns
We will endure as we pass surely through every storm

A time for us, someday there'll be
A new world, a world of shining hope for you and me

A time for us at last to see
A life worthwhile for you and me
And with our love through tears and thorns
We will endure as we pass surely through every storm

A time for us, someday there'll be
A new world, a world of shining hope for you and me
