The boys watch the girls
While the girls watch the boys
Who watch the girls go by
Eye to eye
They solemnly convene to make the scene

Which is the name of the game
Watch a guy watch a dame
On any street in town
Up and down
And over and across, romance is boss

Guys talk "girl talk", it happens everywhere
Eyes watch girls walk with tender lovin' care

It's keepin' track of the fact
Watching them watching back
That makes the world go 'round
"What's that sound?"
Each time you hear a loud collective sigh
They're making music to watch girls by

La, la, la ,la
