The boys watch the girls while the girls watch the boys
Who watch the girls go by
Eye do eye
They solemnly convene to make the scene
Which is the name of the game
Watch the guy, watch the dame
On any street in town
Up and down
And over and across
Romance is boss

Guy's talk
Girl talk
It happens everywhere
Eyes watch
Girls walk
With tender loving care

It's keeping track of the pack
Watching them watching back
That makes the world go round
What's that sound?
Each time you hear a loud collective sigh
They're making music to watch girls by

Guy's talk
Girl talk
It happens everywhere
Eyes watch
Girls walk
With tender loving care

It's keeping track of the pack
Watching them watching back
That makes the world go round
What's that sound?
Each time you hear a loud collective sigh
They're making music to watch girls by

The boys watch the girls while the girls watch the boys
Who watch the girls go by

Eye do eye

They solemnly convene to make the scene

La la la la la la la la la la la la la la la la la la la

La la la la la la la la la la la la la la la la la la la
