we had joy,  
we had fun,  
we had seasons in the sun;  
but the hills we would climb  
were just seasons out of time.  
all our lives we had fun,  
we had seasons in the sun;  
but the stars we could reach  
were just starfish on the beach.

adieu, emile,  
my trusted friend,  
we've known each other  
since we were nine or ten;  
together we climbed hills and trees,  
learned of love  
and a-b-c's,  
skinned our hearts  
and skinned our knees.  
adieu, emile,  
it's hard to die,  
when all the birds are singing in the sky;  
now that the spring is in the air,  
pretty girls are ev'rywhere;  
think of me  
and i'll be there.

[chorus]

adieu, papa,  
please pray for me,  
i was the black sheep of the family;

you tried to teach me  
right from wrong,  
too much wine  
and too much song,  
wonder how i got along.  
adieu, papa,  
it's hard to die,  
when all the birds are singing in the sky;  
now that the spring is in the air,

little children ev'rywhere;  
when you'll see them, i'll be there.

[chorus}

adieu, francoise,  
my trusted wife,  
without you i'd have had a lonely life;  
you cheated lots of times,  
but then,  
i forgave you in the end,  
tho' your lover was my friend.  
adieu, francoise,  
i'ts hard to die,  
when all the birds are singing in the sky;  
now that the spring is in the air,  
with your lovers ev'rywhere;  
just be careful,  
i'll be there.

all our lives we had fun,  
we had seasons in the sun;  
but the stars we could reach  
were just starfish on the beach
